Subject: Support for the ACC to hold a public meeting in Flagstaff to receive comment on APS rate proposal

Dear Kelly,

As a member of the Flagstaff City Council for the last 6.5 years, I am writing to request that you share with ACC Chairman Forese that there is strong support for the ACC to host a public meeting in Flagstaff so Flagstaff residents can provide comment on the APS rate proposal currently before the Commission.

I am confident that the Flagstaff City Manager, Josh Copley, and the entire city leadership team will do all it can to help with logistics if the Commission ultimately decides to receive public comment here.

Thank you very much for considering my comments.

Respectfully,
Celia Barotz
